ABOUT THE BRAND WOLFWALKERS

New animated film from multiple Academy Award-nominated studios
Cartoon Saloon and Melusine Productions, created and directed
 By Tomm Moore and Ross Stewart.

The story is set **in Ireland in the middle of the 1600s** and gives the story of a young English apprentice hunter Robyn, as she follows her father to Ireland. They go there to eradicate the last living wolf pack. Robyn saves a native girl, which is how she discovers the 'wolfwalkers'. Her life changes and she becomes exactly what her father has been assigned to destroy. The background for the movie has been widely researched. It will be released by **Apple TV+ this December.**

WolfWalkers

MY STORY

Easy to play, hard to master.

In **Wolfwalkers – My Story** two players compete to craft a **better story** using cards from a shared deck.

Each turn you take one of the six available cards and place it on your grid. You either take an **Objective** card that lets you know how to score points or a **Story** card that helps you fulfil your Objective cards. After both players complete their **5x5 grid**, the game ends and the player with the most points wins.

More than 50
beautiful illustrations
from the film WolfWalkers.

Expansion included

Permanent cards change the gameplay in general and **Opportunity** cards are one time use cards that each player can use whenever they want on their turn. With 15 Permanent cards and 25 Opportunities available to choose from, **each game is a new and unique challenge!**

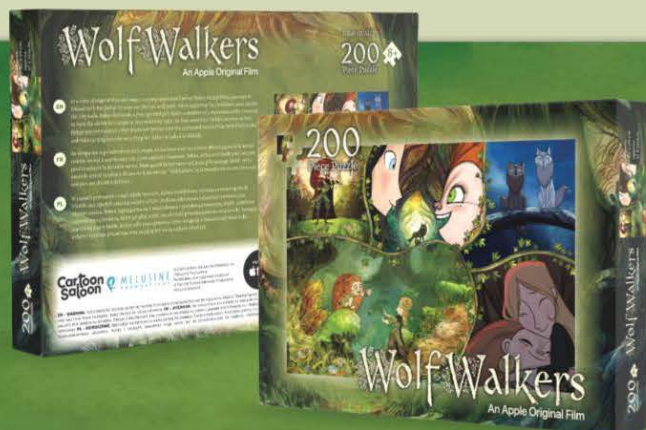

2 players • Beautiful artwork • Strategic thinking • Great gateway game

FIRE BRIGADE

THE REAL HEROES

Fire is an unpredictable phenomenon. Whole forest areas can disappear in flames and houses can crumble to many pieces under the flames. But in all of this madness you can count on The Fire Brigade, The Real Heroes, those who overcome their fear and walk into the flames to save our lives - Firefighters.

Become one of those Real Heroes and try to prevent the tragedy. Save a village which is about to be consumed by a big surrounding wild fire. Choose your decisions wisely and safely evacuate those who were left behind and keep the fire under control until support arrives!

Fire Brigade is a cooperative game. You and your fellow players are members of the fire brigade, working together to rescue people from endangered areas and prevent fire from spreading. Each of you will assume a unique role within the team, with special abilities that will improve your team's chances to complete objectives.

Firebrigade has had amazing reviews and considerable public support.

Developed in cooperation with professional firefighters, this game includes a variety of educational and realistic content!
