WolfWalkers

ABOUT THE FILM

In a time of superstition and magic, a young apprentice hunter, Robyn Goodfellowe, journeys to Ireland with her father to wipe out the last wolf pack. While exploring the forbidden lands outside the city walls, Robyn befriends a free-spirited girl, Mebh, a member of a mysterious tribe rumored to have the ability to transform into wolves by night. As they search for Mebh's missing mother, Robyn uncovers a secret that draws her further into the enchanted world of the WOLFALKERS and risks turning into the very thing her father is tasked to destroy.

WolfWalkers

MY STORY

ABOUT THE GAME

In WolfWalkers – My Story two players compete to craft a better story using cards from a shared deck.

Each turn you take one of the six available cards and place it on your grid. You either take an Objective card that lets you know how to score points or a Story card that helps you fulfill your Objective cards. After both players complete their 5x5 grid, the game ends and the player with the most points wins.

The game includes an expansion that provides more options for players and more interaction, with Permanent cards that change gameplay in general and Opportunity cards that allow you a special once-per-game ability.

ABOUT THE FILM

An exquisite film from five-time Academy Award®-nominated animation studio Cartoon Saloon (The Secret of Kells, Song of the Sea, Wolfwalkers) and Academy Award®-nominated director Nora Twomey (The Breadwinner). The film is inspired by the Newbery-honored children's book from author Ruth Stiles Gannett.

The story: Struggling to cope after a move to the city with his mother, Elmer runs away in search of Wild Island and a young dragon who waits to be rescued. Elmer's adventures introduce him to ferocious beasts, a mysterious island and the friendship of a lifetime.
